Hello! Well, I was hoping you guys could come by before the announcement so we could have a story ready to go when you released it. So, is it possible to meet Monday?
Thanks

Subject: Meeting with editorial board

Hello Jerome,

I know you've been communicating with Harold about the release of the new Operation: Safe Community plan and a possible meeting with the editorial board after the release.

Tentatively, our plan is to release the plan the morning of Tuesday, November 15. That afternoon is filled with City Council matters for both the mayor and police director, and we would like one or both as part of the group to meet with the editorial board if possible.

So, we are looking tentatively at the morning of Wednesday, October 16 at 10 or 10:30 if that works for you. What do you think?
